

EAST GRINSTEAD TWINNING.

Dear Member,

I very much regret that we have had to cancel the Commonwealth lunch.

Apart from the fact that the Commonwealth Society has been unable to find us a speaker, I have now found that the bookings at Peredur for that day give rise to several problems both with parking and kitchen access, which have made the Committee decide to postpone this event.

The Committee will be discussing this at their meeting next week, with a view to arranging a new date perhaps in June.

If you have paid you can either have a refund or .keep it in reserve for the next date.

My apologies for any inconvenience this may cause.

Ken
