

EAST GRINSTEAD TWINNING

Newsline December 2017

I can't believe the year has gone so quickly and Christmas is knocking at the door once again.

Our last **Coffee Morning** for 2017 will be on the **16th December** when we will be having our Christmas Charity Draw. If you have any suitable prizes please bring them into the Library on Saturday, 2nd or 9th December. Tickets 5 for £1 and all profits to the Chestnut Home in West Sussex, a hospice for children with cancer.

The usual **letterbox** will be set up in the Library from the 2nd December until the 16th ; post early!

We held our last **100 Club Draw** at the Annual General Meeting, when the winners were Alistair Matson, Sue Young and Julie Mockford, the next Draw will be on the 16th December.

New Year's Eve Party - don't ask me the date, as someone did last year! It will be held either in Peredur or Millfield Park Cottage depending on numbers. To boost our funds it will be £15 but good value for a New Year's Eve Party! We have had 16 names given to us as interested in coming, but then some members have withdrawn their names for other events. May I therefore ask those who have expressed an interest in coming, and anyone else who has decided to come, to confirm to me, Alex or Sheila, that they will definitely be coming, so that we can make final arrangements. Thank you.

The **AGM** went off very well with 32 members present, but a lot of the usual faces were missing. We were pleased to receive

reports from both a student and leader that the youth group had thoroughly enjoyed their visit to Sant Feliu for the Youth in Europe event 2017.
