

East Grinstead Twinning

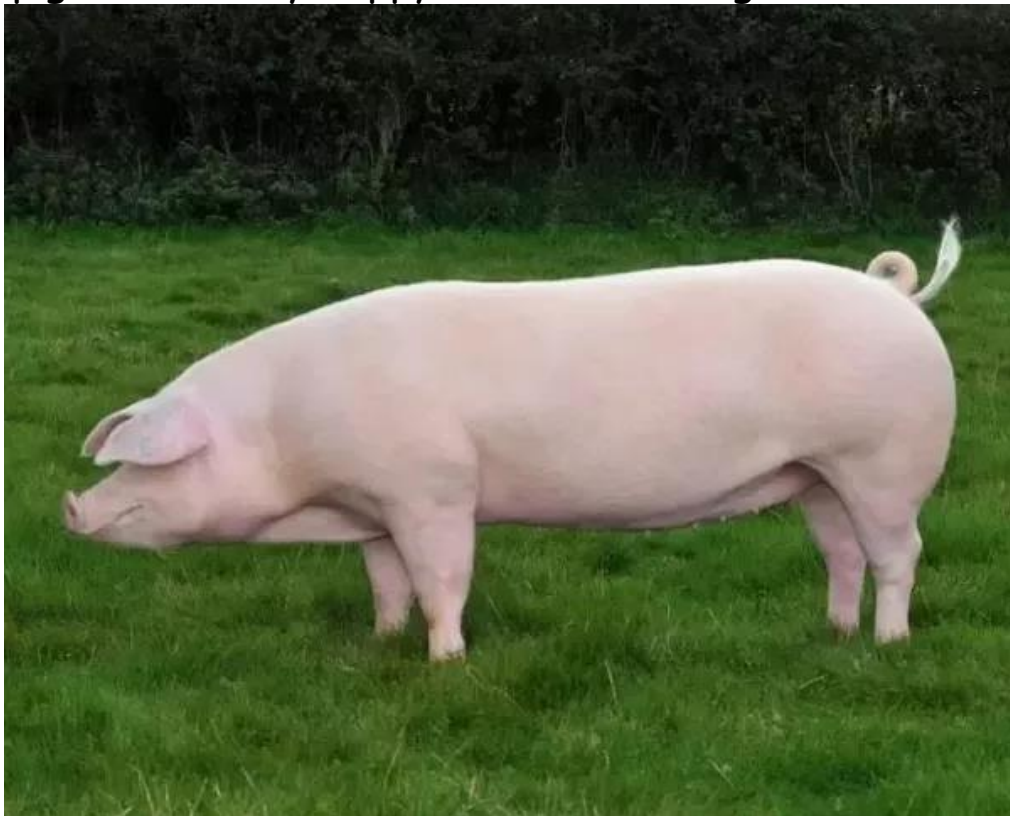

NEWSLINE June 2018

HAS SUMMER ARRIVED?

May I start by saying "thank you" for the cards and good wishes I have received whilst off sick. I am now feeling 100% and raring to go!!

HOG ROAST - This is going ahead on 1st July but please note that for me it will be my last one. The event has problems in attracting sufficient numbers for the purchase of even the smallest of pigs and as our capable membership is now reduced it is hard work for those stalwarts left. Make this one special and ask your friends .

This pig will be very happy about not being needed for 2019!
